FORMALLY OPENED.

Splendid Weather, Interesting
Ceremonies and Immense
Crowds Mark the G. A.
R. Opening.

Cincinnati in Holiday Attire, and
the Freedom of the City Given
to the Members of the Grand
Army of the Republic.

Cincinnati, O., Sept. 5.—Cool
weather has succeeded the terribly hot
weather of the past week for which
all G. A. R. men are thank-
ful. The crowd that is now here to
attend the annual encampment of the
G. A. R. is immense, and thousands
are pouring into the city every hour.

At noon Commander in Chief
Hobbs arrived and was given a rous-
ing reception, which was followed by
the formal opening of his headquarters
at 12:30 p. m.

The principal events of this after-
noon are the dedication of Camp
Sherman, the opening of the Naval
Veterans convention and the arrival
of the Kentucky contingent, which
will arrive strong this year.

Cincinnati is today in holiday at-
tire. Everything has been done possi-
ble to make the encampment a suc-
cess, and the veterans of the G. A.
R. are now in charge of the city.

ALL FOR FIFTY CENTS.

Leonard Howard is now a Mur-
derer and a Fugitive.

Versailles, Ky., Sept. 5.—For a
fifty cent gambling debt, Leonard
Howard, of this city, is now a mur-
derer. His victim is Tillman
Spears. Both are residents of this
county. Howard has escaped but
will doubtless soon be arrested. The
murder was committed today.

POLICE NEWS.

Short Session of the Police Court.
Several Plain Drunks Were
Docketed.

One Man Pleaded Guilty to Petty
Larceny—Trouble on
the Levee.

Reage Pearce, colored, pleaded
guilty to stealing some chickens, and
other things from a man named Law-
rence at a warehouse, and was held
over to the grand jury.

Jim Wilkins, for a breach of the
peace, was fined \$20 and costs. He
went down to the home of James
Burgess and threatened him with a
pistol.

Polly Hicks and Harry Mack were
charged with a breach of the peace,
and the latter was fined \$20 and
costs.

Ben Harris, Eli Simons, L. Sullivan,
Gus Hart and K. J. Harrison were
fined for drunkenness.

There was a theft on the Ebb
Dudley last night or early this morn-
ing. A pair of shoes and one dollar
were taken from a colored man and
the thief, who was also colored, ran.
Officers Gougeon and Smiley started
in pursuit and shot at him several
times, but did not catch him.

There was a fight on the levee this
morning early between two rowers
on some of the boats at the wharf.
The officers also went in pursuit of
them, but they escaped.

Mayor Lang tells a good joke on
City Clerk Patterson and Chief
Hoyer. The mayor recently ex-
changed his typewriter for a new one,
and was allowed on the old one, \$35
on the new. He was told by the
company to ship the old one to St.
Louis, and the mayor had Clerk Pat-
terson, who was acting as agent for
the new concern, to pack it. The
clerk and Chief Hoyer spent several
hours one night packing the case, and
Mayor Lang today received a letter
from headquarters, saying that they
could not use the bottles and rags
found in the case. The gentlemen
who packed the supposed typewriter
had only packed the case, and left
the machine in a drawer. The case
was full of bottles and other rubbish,
and for this reason they thought the
machine was inside.

The mayor is in receipt of a letter
from S. L. Usley, of Texas, thanking
him for information relative to Frank
Wise, who was last heard of here.
The mayor ascertained that Wise
went from here to Dexter, Mo., and
is now there.

Willis Mount and John Lydon, sn-
oon keepers of West Court street,
are in jail serving out the costs on a
fine of two assessed against them in
the county court a few weeks ago.
They will remain until Friday.

Mayor Lang discovered the rear
door to the furniture factory's store
room, near the market house alley,

LABOR DAY.

There Were Many Celebrations
in and About the
City.

Attractions Everywhere, and the
Working Men Had the
Choice.

This is Labor Day, and if appear-
ances are to be relied upon, it has
been appropriately commemorated by
the hundreds of laboring men and
their families in Paducah.

There were various attractions
both on this and the other side of the
river, and each attraction seemed to
get its quota of the crowd.

Across the river elaborate prepara-
tions were made for a good time, and
many people went over.

At La Belle park there were picnic
parties and bicycle races. The bar-
becue was declared off, as the candi-
dates could not be secured for the
occasion, to hold their joint debate.

There was also a good time to be
had at Ramona park, and the street
cars did a good business.

The railroad men and the employes
of nearly every industry were given
a holiday, if they desired to take it.
The city was full of men early in the
day, who were in holiday attire.

The chain gang was given a holi-
day, and was presented with several
fine watermelons by the mayor. Need-
less to say the feast was enjoyed, not
that they don't feast every day, but
because watermelon was a luxury to
many of them, especially the colored
prisoners.

There was a very small force of
workmen on the streets, and at work
on the sewers. All who desired were
given a holiday.

This afternoon the stores, with few
exceptions, closed, and quite a crowd
went out to the bicycle races, despite
the fact that the weather was some-
what threatening. There will be
races tomorrow also.

The postoffice and banks were
closed today, only one delivery being
made at the former. At the govern-
ment building, everything was very
dull and uninteresting.

About 3 o'clock this afternoon a
stern came up and threatened to
break up the various attractions, and
there was considerable alarm among
many of those who were present and
intended to go. At prestime, how-
ever, it looked like the rain might
blow over.

OPERATED ON FOR APPENDICITIS.

Dr. J. G. Brooks went to Me-
tropolis Saturday and operated on a
son of Mr. Dave Austin, a wealthy
citizen, for appendicitis. The boy
was in a bad condition before the
operation was performed, and it is
now thought his life can be saved.

HOUSE BURNED.

A small box house belonging to
Mr. August Wurth, on the Mayfield
road, was destroyed by fire Saturday
night, origin unknown. It had been
vacant, but a family was moving into
it. The fire department went out,
but could not reach the conflagration.

sum of \$171.05, he being the lowest
bidder. Work will begin as soon as

SUES FOR DIVORCE.

This Couple Have Thirteen Chil-

Narcissus Hite today filed suit in
the circuit court against her husband,
William Hite, for divorce. She al-
leges that they were married sixteen
years ago, and have thirteen chil-

She wants a divorce because, she
says, her husband drew a pistol on
her and threatened to "blow her d-

JERRY PORTER

Re-Announces His Candidacy for
Congress From This
District.

He Urges the Republican Com-
mittee to Take Action
Quickly.

Editor Paducah Daily Sun, Padu-
cah, Ky.

Dear Sir:—From daily inquiries of
my friends relative to my race for
congress, I find that many have lost
sight of the fact that I have already
announced my candidacy subject to
the action of the committee and the
party, making it necessary for me to
emphasize my candidacy, and I take
occasion to say that when I made my
race for railroad commissioner I con-
sented to do so in the face of seeming
great odds, solely in the interest of
my party—paid my own expenses,
never having called for nor receiv-
ing a cent from the campaign com-
mittee.

The unfortunate circumstances of a
law technically that left my oppo-
nent to "draw the salary" justly
due me, has in no way discouraged
me in my willingness to serve my
party when duty calls me, and as it
has been said that it is very late to
make a nomination now and raise
necessary "funds" to defray ex-
penses of a campaign, of that I wish
to say: I want the committee to make
a nomination immediately in time to
get on the voters who live where it is
necessary to register, and if I be
chosen as the nominee of the com-
mittee, I will attend to the matter of
funds, and I am ready with my part
for campaign purposes for any one
else who may be chosen in my stead.

I want to see an aggressive move
made by my party in this district
upon the issues of the day, and I
want no man to say "there is no
chance to win." There is a chance
and there is a way, and if the com-
mittee will do their part and do it im-
mediately the good people will do the
rest. Let us profit by the unfor-
tunate split in the Second district
and go to our duty with a solid front,
united and unambiguous.

White, a railroad.
